

Acapulco

BOOKCASES

Elegant lines and sculptural shapes for the iconic Acapulco bookcase. Thanks to its contemporary design, the bookcase presents itself as a scenographic and decorative element. The possibility of double-sided use offers endless interpretative possibilities, allowing placement also from the center of the room or as a dividing wall.

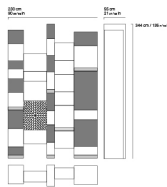

Acapulco

BOOKCASES

Double-face or single-face modular bookcase with structure in MDF, lacquered embossed Black or Desert on the inside and covered in laminated metal with Brushed Gold finishing on the outside.

Doors with front in MDF, covered in leather from the collection with "Stella" quilting. JC29 handles in gold or platinum finishing.

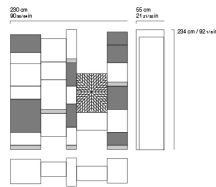

Back panels covered in printed fabric from the collection, or in natural, bronzed or smoked mirror.
