LOW TABLES

A scenographic table with a strong visual impact. A contemporary design language, based on lightness and essentiality, turns into a complex play of geometric elements, with different heights and dimensions. Evolution of the Matrix bookcase, the table features a black chrome finishing and adjustable shelves covered in saddle leather with stitching on borders, according with the new mood permeating the collection.

Low table with varnished steel square tubular structure, welded and joined with retractable pins, with Black Chrome finishing.

Moveable table tops in MDF covered in Dark Brown saddle leather with visible tone on tone stitching in nylon thread.
